

JUNE '45

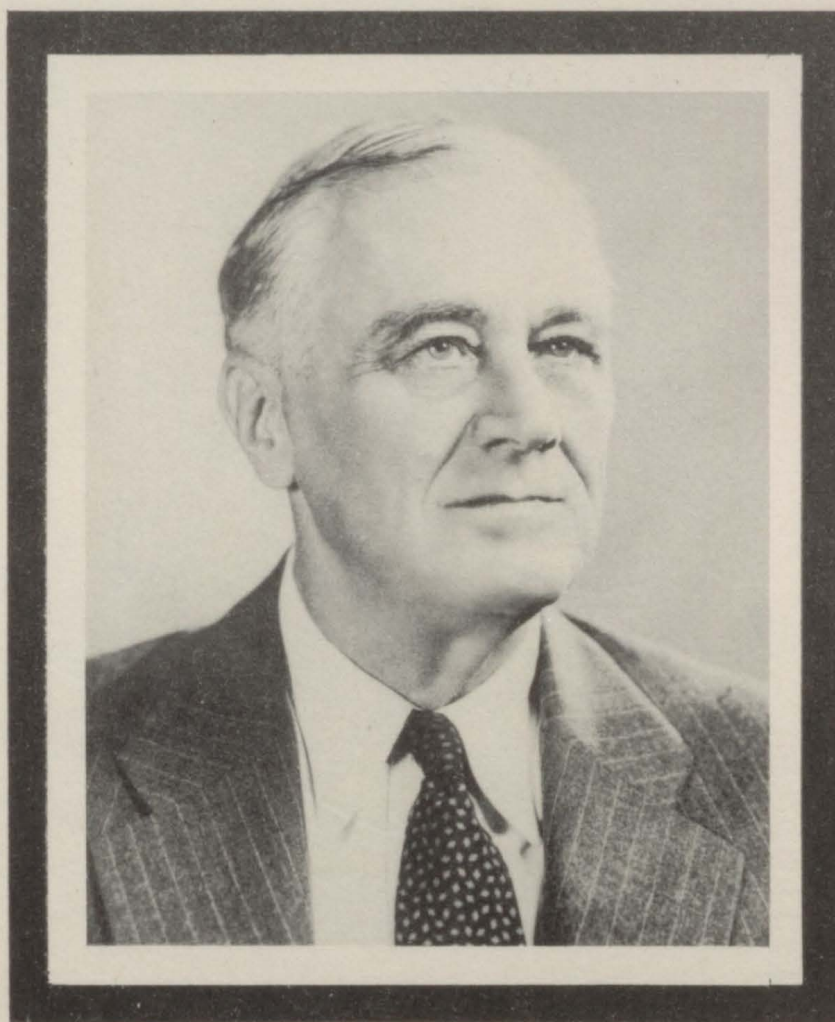

Athenaeum

Class Album

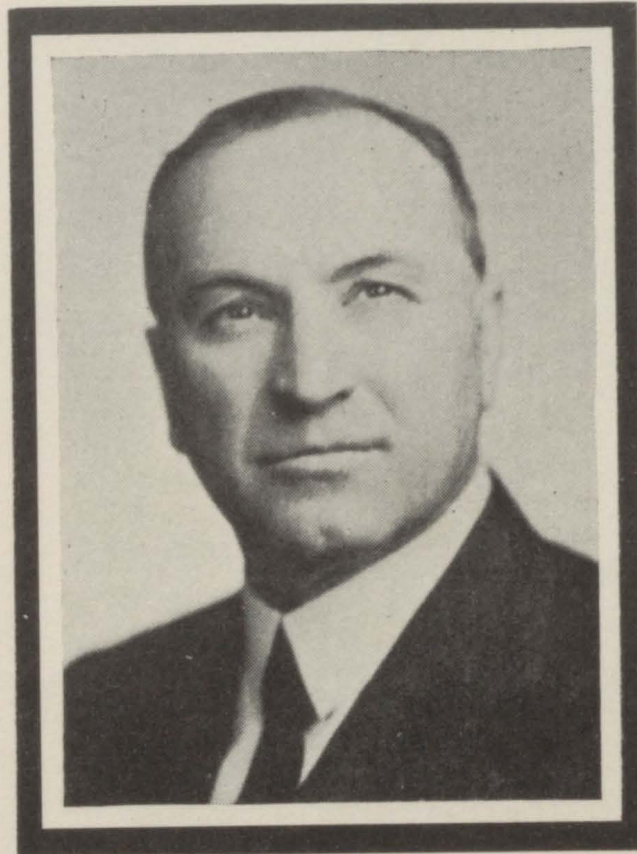

June, 1945

Barringer High School

Newark, New Jersey

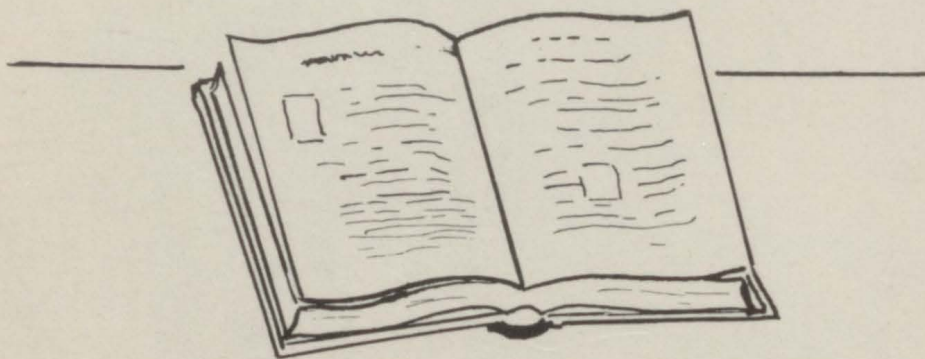

In memory of our esteemed president, Franklin Delano Roosevelt, who believed in the "freedom of education for every individual from childhood through adult life."

In memory of Paul J. Sanders, our beloved
homeroom teacher, who died suddenly in 1943.

With hearts saddened by the loss of our beloved President, Franklin Delano Roosevelt, and minds sobered by the seriousness of America's place in this world of turmoil, we, the class of June, 1945, dedicate this book to a peaceful future. Our thoughts and efforts are directed toward the fulfillment of the hope for a better world to come, for only by the concerted actions of us all can that hope be realized.

The Faculty

I am not a teacher; only a fellow traveler of whom you asked the way. I pointed ahead—ahead of myself as well as you.

Class Song

Words by Luena Martinelli

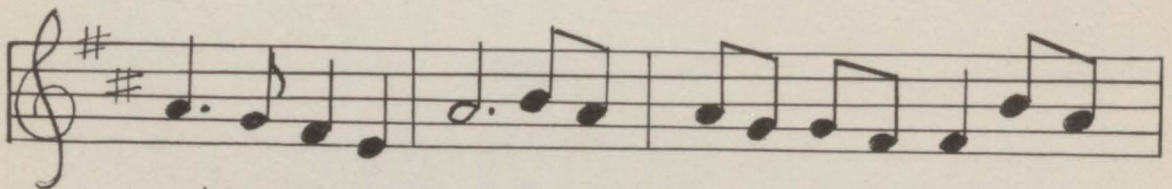

Music by Julia Wohl

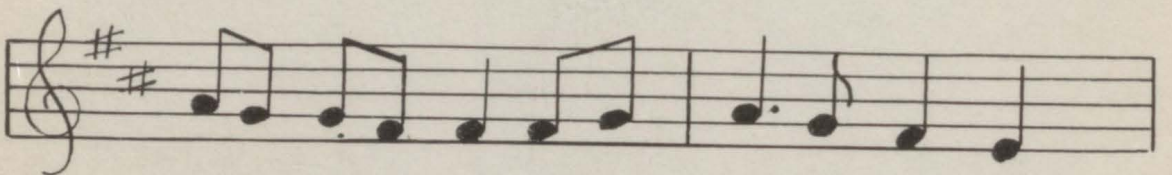

Alma Mater now we part from your aged spires of

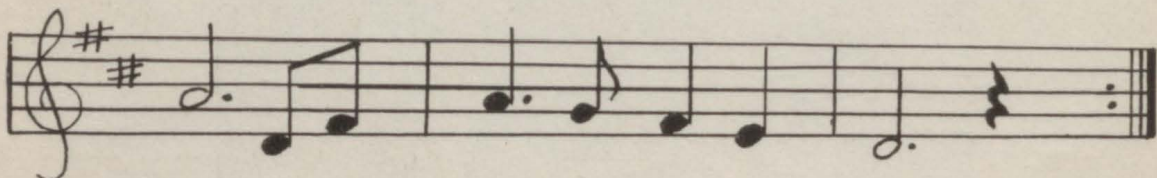

fame. Yet from each heart will ne'er depart cherished

memories of your name. Ease this simple heartfelt sigh as we

proudly say goodbye, and with thrills of hope and

fear venture forth from halls so dear.

Class Officers

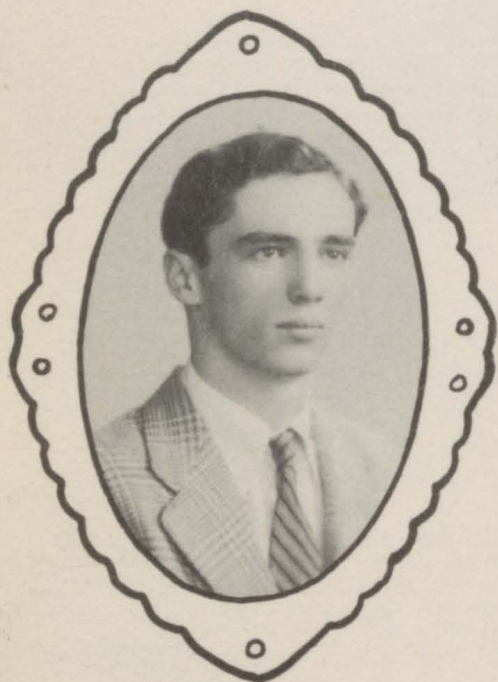

PETER CASTELLANO

C.P.

JOHN CARSON

C.P.

179—2nd Street

"Tex," or Jack, looks forward to the future as a journalist. He enjoys sports and music. However quiet and reserved the teachers think he is, we know the opposite to be true when we hear him cheerleading at the football games, loudly shouting, "How about yelling so I can hear you?"

JULIA WOHL

504 Broadway

Short, dark hair, beautiful gray eyes. That's Julia Wohl. Quiet, retiring and efficient also suit Julia to a "T." Her modesty hides her great talent in the field of music. She is an accomplished pianist, but she also plays the clarinet and has a better than average voice. As one of the Associate Editors of the Athenaeum, she does her job well. When she leaves Barringer, she plans to go to Bucknell.

Clubs: Latin Honor Society; Spanish Honor Society; National Honor Society; Ballroom Dance Group; Band; Orchestra; Pan-American Club; All-State Chorus; War Stamp Committee; Acropolis; Associate Editor, Athenaeum; Science Club; Glee Club.

HAROLD SIGLER

152 Roseville Avenue

Busy as a bee, that's Harold! Between dashing from 55 to 85 on Acropolis or Athenaeum work, he has hardly any spare time. Where he does have a moment, Hal likes to spend it with those beautiful blondes, but he says he'll take brownettes too. His ambition is to be a chemical engineer. With his ability, he's sure to reach the top.

Clubs: Associate Editor, Athenaeum; Acropolis; Visual Aid Crew; Ballroom Dance Group; National Honor Society; French Honor Society; Band; War Stamp Committee.

ALICE CAPACCIO

154 Grafton Avenue

Although she is a good student, Al is definitely no "worm." She is gay; hence she dislikes people who have no sense of humor. Clubs: Secretary of the National Honor; Vice-President of the Spanish Honor; Latin Honor Society; Associate Editor of the Athenaeum; Library Staff; Acropolis Staff.

MALCOLM SMITH PRINGLE

244 North Sixth Street

"Always on the go," is the only way to talk about Mac. He is short, handsome, and serious, always sincere in all he does. Mac will argue with anyone on anything, but he always comes out on top. He'd make a fine lawyer, but he firmly declares that Science is his field.

Clubs: National Honor Society; Latin Honor Society; Ballroom Dance Group; Science Club; After-Math Club; Visual Aid Crew; Band; Photoplay Club; Acropolis; Cast of 4B Play; Athenaeum.

EDITORIAL

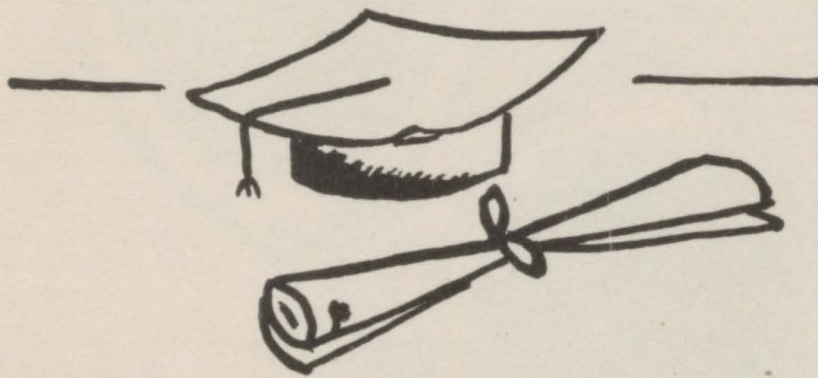

Like thousands of other students in this year of 1945, we go from the classroom into a serious world, a world determined to make "peace on earth" a reality. We know that America is still at war, but we also know that the end of that war is in sight.

We are content to become a part of a new life, for we are certain that we shall be better able to cope with the problem of living than most people. What we have gained in our four years at Barringer, over and above knowledge learned of books, has given us an insight into the true meaning of democracy, a better understanding of our fellow men, and the courage to face whatever may lie before us.

If, in selecting a theme for this book, we have seemed at times to dwell upon the lighter side of our school experiences, please forgive us. We are simply attempting to escape for a little while the serious tone of the world of which we shall soon become a part.

The Editors.

The Class

Our most important are our earliest years.

ALICE ABBOTT

C.P.

134 No. 13th Street

Probably all Barringer knows Abbie by her pug nose and friendly smile. Alice is usually peeking over a boiling test tube in the Chem lab, or sighing over the picture of that Navy man. The nurse's uniform that she hopes to get ought to look well on her shapely figure.

Clubs: Band; Orchestra; All City Band and Orchestra; Science Club; Latin Honor Society; Acropolis; Photoplay; All City Chorus; Red Cross.

LOUISE ALBANESE

C.P.

9 Stone Street

Louise can be seen in any of Barringer's halls carrying her little black notebook. Lou is very busy but at the same time very methodical. Nice clothes and swimming rate with her, but shows-offs are off her list completely. Her record at Barringer indicates that her ambition to be a designer will be realized.

Clubs: National Honor Society - Secretary; Student Council - Secretary; Italian Honor Society - Secretary; French Honor Society; Red Cross; Assembly Committee; Social Committee; Service Club; Student Council Publicity Committee; Acropolis; Science Club; Language Arts Club; Library Staff; Pupil Activities.

327 Sussex Avenue

You know - - "The way to a man's heart is through his stomach." "Zeke's" one ambition is to learn how to cook. Dancing, swimming and all kinds of food rate high with her. Her chief worries are no mail and short boys. We hope that Zeke learns how to cook after graduation.

Clubs: Pan-American Club; Ancient History Club; Science Club.

C.P.

HELEN BARONE

171 4th Street

A pretty face, a pleasant smile, and a quiet reserve add up to Helen. As most of the teachers know, mispronunciation of her last name annoys her. Dancing, writing letters to sailors, and football rate tops with her. She hopes to be a beautician after graduation.

Hardly anyone knows Kelsey Brown, but everyone knows Thurlow. He's one of those strong, silent men who doesn't say much, but when he does, it is really something. Although he may seem slow as he goes through the halls of Barringer, he's really one of the fastest men on our cross-country team.

Clubs: Cross-Country; Track; Science Club.

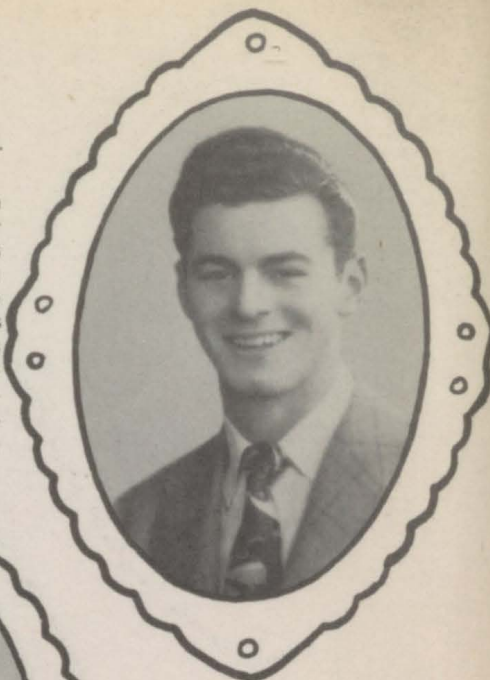

EDWARD MICHAEL BRUSKY

C.P.

RUDOLPH SALVATO
Co-Captain Fencing

Rudy, who has been co-captain of the fencing team since he was a sophomore A, is now classified with all the famous fencers who, in the past, have contributed to Barringer's fame. At the present time, Rudy is a member of the N. J. State Championship Team which captured first place at Snyder High School. This lad also fenced at Washington Square at N.Y.U. where he helped his team place second. We all regret losing a fine, outstanding athlete, but Rudy has fulfilled his duty.

RALPH TEDESCHI
Co-Captain Fencing

Ralph is one boy who has fencing in his blood. He started his fencing career in his freshman year and has been on the team ever since. For his outstanding work on the team, he has received three major B's and one wreath B. In his junior year he was elected Co-Captain of the team. He will be a great loss to the fencing team.

FRANK FERRARI
Captain Baseball

Frank, or "Big Dick," as he is known to all Barringerites, has earned his major letter in baseball. Although he was only a sophomore when he went out for the team, his natural ability made Coach Allen put him in the starting line-up as pitcher. Besides baseball, football and basketball are also favorites of Frank's. He was a member of the 4A basketball team.

PETE CASTELLANO
Co-Captain Track

Pete has been on the track team for four years. He won his first major letter in 1941, his second in 1942, and his third in 1943. Besides winning major letters, he also received an All-State letter for his work in the state competition. He has been on all four All-City teams. In his senior year he was elected co-captain of the track team, a position he really earned. Pete will be long remembered in Barringer's "Hall of Fame."

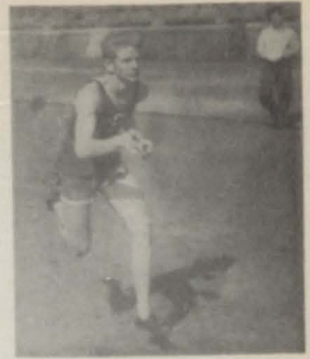

JOE "CHUCK" STOLFI
Co-Captain Track

Joe "Chuck" Stolfi started his track career as soon as he came to Barringer. In his freshman year Joe received his varsity letter; in 1942 he won the senior pole vault in the city meet. As a member of the 440 yard relay team the following year, he helped tie the state record at Perth Amboy. For his outstanding performance in that state meet, Chuck received his wreath "B".

FRED AXT

Fred Axt, the blond with the winged feet, started his track career in his second year at Barringer. This lad was quite small when he began to run, but his ability proved him to be the equal of the larger boys. Fred was a member of the team that won the class relay at the Penn Relays in 1944. He has also run on relay teams that have been recognized throughout the state. This athlete has piled up many points to help keep Barringer's Track Team among the best in the state.

JOE BONGIORNO

"Joe B" has been playing football for Barringer for four years. In '41 he played on the freshman team and the following year he played on the junior 'varsity squad. Joe was placed on the 'varsity team in '43 at left guard. In '44 he held down the same position. For his four years in football, Joe earned his numerals, a Jay Vee letter, and two 'varsity letters. Joe also took an active part in intra-mural basketball and football.

DICK BOYLAN

"Big Dick's" athletic career started in '41 when he played freshman football. Dick continued on the Jay-Vee team the following year. In '44 he won his major letter for excellent playing on the varsity team as center. Aside from football, basketball is his favorite sport. He was a member of the intramural basketball team on which he played a fine game.

THURLOW "BEAU" BROWN

Thurlow Brown went out for Cross Country in 1943. At a work-out, the coach recognized Beau as a future Key man. Beau fulfilled every promise. In 1944, he placed third in all of the dual meets. He also helped to win the city championship in Cross Country by placing fourth. In the same year, also, he placed third in the mile. In Track, Beau is recognized as one of the best milers in this area. His loss will be felt by the Track Team.

BILL BULL

Bill, as a member of the cross-country team, helped to win the city championship in 1944. He received a gold track shoe for being such a valuable asset to the team. Besides being a cross-country man, Bill proved to be a fine track man in the shorter distances.

JACK CARSON

"Tex" Carson earned his letters by using his long legs in Cross-Country and Track. He received a minor "B" in Cross-Country, but he was an outstanding performer in Track. He shone brilliantly when he captured both the Junior and Senior City Half-Mile Championships in 1943 and 1944 respectively. As captain of the cheer leaders in 1944, Jack received another "B".

AL DI CHIARA

Al Di Chiara, who likes to be called Alphonse, has been playing football for four years. In '41 he played on the freshman team. The next year he was a member of the Jay-Vee team. Al won his major letters for playing two years of varsity football. He played both tackle positions at which he did a fine job. Al's pride and joy is his number five jersey which he wore during his football career.

FLAVIO LA MANNA

"Flav," who has two major letters to his credit, is now expecting a third. He received a major B for serving in the capacity of manager of the football team for two years. During the '43 baseball season he received another B for his management of the team. This year "Flav" is on the diamond at the hot corner, helping to bring Barringer up to our former high standards in sports.

PETER MEHALARIS

Pete, "The Greek," started his athletic career in his second year when he went out for track. Since then he has run on three city championship teams. In 1944, he took third place in the city meet in the 220 yard dash. Pete was also a member of the 4A basketball team.

GEORGE MONDA

George earned his letter in a sport which is comparatively new to Barringer. He went out for the bowling team when it was still in the experimental stage. George became an outstanding performer by showing his ability to down the tenpins with an amazing number of strikes. For his tireless and successful efforts in this new sport, George received his major B.

PAT RESTAINO

When Pat came to Barringer from McKinley Junior High School, he became interested in one of Barringer's traditional sports, Fencing. Since he worked hard, he became the manager of the team in his 2A term, and from there, he carried on this important job successfully. In 1944, Pat participated in the N. J. State Championship meet and for his capable efforts he was awarded the Barringer wreath "B". All in all, Pat has achieved an enviable record in his stay at Barringer.

JERRY SALERNO

Jerry is a boy who made a dream come true. As a grammar school student he always dreamed of playing on the Barringer football team. In '44 he won his major B for his outstanding work on the team as a guard. Owing to his fine playing ability, he won nominations on the All-City and All-State teams chosen by various newspapers.

LOUIS SCALERA

Lou, who first took his fling at fencing in his Junior year, immediately won a berth on the first team, and a major letter. The wreath "B" came as a reward for his membership on the All-State Fencing Team.

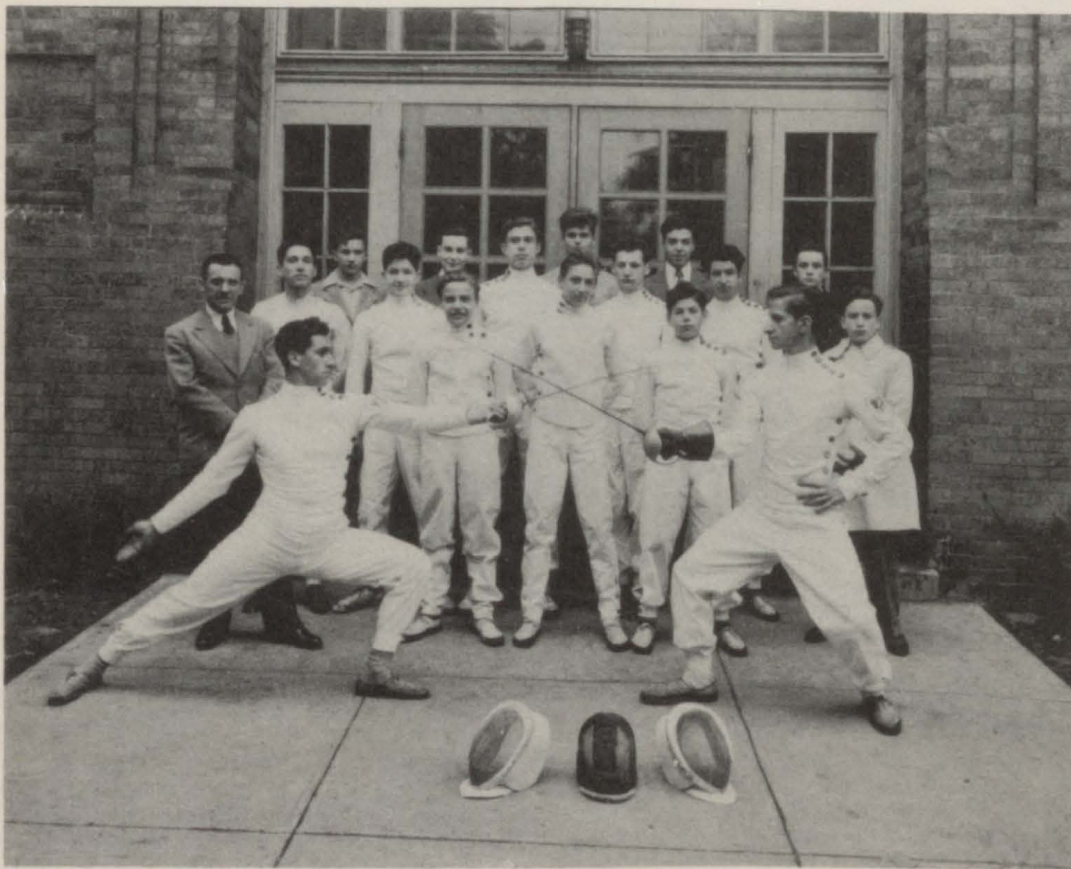

Lou also tossed the javelin for Barringer. For this he received a minor "B", but he expects to make that minor a major this Spring. We know that he will succeed.

PAT BELOTTI

Pat, who went out for cross-country in '43, received his major B in that season. By '44, he had received enough experience to run with the best of them. That year he also earned a gold track shoe for being a member of the city championship team. He also turned out to be a fine middle distance man on the track team.

Now for some social news—Al Di Chiara, the "Yo-Yo" king, has started divorce proceedings against his thirteenth wife, Mama Babalucci. Friends expect him to marry that sophisticated novelist, Lilyanne Cordasco. This wedding march is the favorite tune of Norma Salvatoriello and Alberta Clark who will wed ex-Navy men tomorrow.

The fleet's in! By the looks of the men, they are getting excellent care. Why not? Nurse Ensigns Marie Fitzsimmons and Marion McGuire are on the job, aren't they?

It has been rumored that Michael Brusky's sideshow is quite the thing. It features Estelle Belmonte, Hula-Hula dancer, Minnie Galetta and Marie Pellico, lady wrestlers, and the world's most famous tattooed lady, Julia Wohl. Another attraction at the show is the renowned prestidigitator,—magician to you—, Donald Downes whose most famous act is drawing Robert "Churchmouse" out of an oversized top hat.

Orchids to Marie Di Nardi, the versatile singing star, who scored such a success in Alice Capaccio's comedy, "Wootime." Whoo! Whoo! Featured in the same show is that brilliant ballet artist, Otto "Bones" Miller. Comedy is supplied by that great team, Weber and Bull.

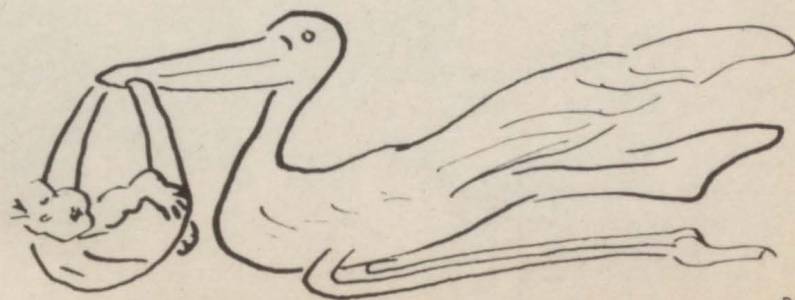

The well known travelling salesman, Harold Herrmann, has just been employed by Donald Jensen, president of the "Paint It On Hose Co." Mr. Herrmann is willing to give a free demonstration with every sale, but farmer Dick Boylan, has locked his door. — — — — — We suggest that Mr. Boylan use some escuchiamiento cheese touched, just touched, mind you with a bit of arsenic, if he wishes to rid himself permanently of Mr. Herrmann.

FLASH—While out hunting over the Brooklyn Navy Yard in her Piper Cub, Angela Mostello spotted the stork visiting Rev. and Mrs. (Alice Farina) Roy Groener. "It looks like a double feature," says Angela.

Speaking of double features, have you visited Angelo Colatrella's theater? For two years only, this new picture will be shown to a select clientele. What a picture? This simmering romance entitled "Osculating in an Igloo"—or is it oscillating?—is a gigantic mess starring Rudy Salvato, Luena Martinelli, and the three morons, Remo Colarusso, Nick Ciccone, and Lucy Di Credico.

Usually, after the show, the crowd gathers at Lou Scalera's new restaurant, "The Nitey-Nite Club." Featured in the band are Joe Stolfi on the skins and "Hot Lips" Monda playing Marie Suppa's newest song, "A Bleeding Heart." We're still recovering from that special Greek dish from the cuisine of Pete Mehalaris. The place became too crowded when Walter Egbert and his harem arrived, so we left early.

Yesterday we stopped off at Eleanor Webb's private swimming pool for a dip. We found her entertaining Fred Axt, Ruth Andersen, Jack Carson, Mary Mulhearn, and Macey Cecere. Now everybody's all wet.

On the way home we stopped off for some refreshment at the "Puma (Joe and Nina, Inc.) Nifty Nax Nook." There we had a spot of Belotti's Better Brand of Ice Cream. Hot stuff!! Nina was discussing with Victoria Eduardo and Mildred Maiorano her new fur coat, a creation of "Flynn and Forrester Fashionable Furs."

Hopping into our Model T-Tedeschi, we discovered that we were nearly out of gas. At the nearby gas station, we found Philip Powell, Jerry Tunnero, and Clarence Crayne as attendants. After refueling, we continued over the highway, where we passed Connie Forcella leaning from her window exchanging the latest gossip with Frances Cardell and Betty Calabro.

—Flash—A four alarm fire swept the Francis Gillespie School today, but there were no casualties, thanks to the heroic work of firemen Jerry (Smilin' Jack) Salerno, and James (Fearless) Thomas. The children were also helped to safety by their teachers, Alma Fields, Maria Conforti, and Juanita Gaskin. Pictures of this spectacular catastrophe (it depends on how you look at it!) were taken by the noted news photographer, Joe Greco.

The Barringer black sheep, Mitsu Hosaki, has again made the headlines in a notorious escapade. Hot on his trail are those supersleuths of the "Snooper Detective Agency," Richard Clark, John Calderone, and Richard Newton. The victim of Hosaki's latest jewel robbery, Louise Albanese, has great confidence in the detectives, whose slogan is "You lose it, we'll find it, ya' hope, ya' hope, ya' hope."

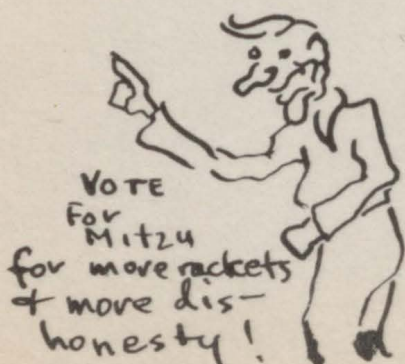

—Flash—The news has just come over the wires that Angie Spadone and John Di Vincenzo, that great dance team, won the nation-wide Jitterbug Contest tonight.

The 11th reunion of the class of June '45 was held last night at the Margaret Koch Hall. Attending this gala affair were Beverly Barnes with her trail of admirers, sophisticated Anne Casagrande, and designers Vera Dunne and Evelyn Maimona. Noted especially, were Antoinette Dudley, Symera Hoggard, Joan Quigley, Helen Bowen and Carl Shell who were giving feature skits from the U.S.O. show.

Now to squeeze in as much as possible in the little time we have left.

Gertrude Rossi of Spadone Township has just opened an ultra-modern nursery school for the children of her former classmates. Among the first enrolled was Dearheart D'Atrio, daughter of Mr. and Mrs. (Dolores Ianaconi) Rocco D'Atrio. Her playmates include Lloyd Turner, Jr., who is the image of his father, and Dolly Fortunato Jones.

There go the chimes, folks. See you tomorrow at the same time, same place. So long—and remember this is your nosey reporter, Paul Bobby Nusbaum.
